Chairman Message

Dear KPFI shareholders,

I am pleased to present to you the annual corporate governance report for the year 2019.

In the light of the growing concern of our shareholders, including potential shareholders and investors, Kuwait Pillars decided to strengthen its corporate governance system in line with the finest local and international practices in this area. In this regard, Kuwait Pillars planned to strengthen the role of independent Board members and adopted sophisticated and distinguished work ethics in its sector as well as creating new regulatory laws and applying the delegation of authority system and integrate the role of the board of directors and committees at the heart of our business.

In this regard, we support the need for strict adherence to principles that help establish the concept of transparency, accountability, integrity and ethics and honesty in our business which form without a doubt the cornerstone of any successful organization. Precisely for this reason comes our promise to ourselves and our investors and all our stakeholders to uphold the highest standards of probity and integrity in the management of the company.

The annual corporate governance report as a whole confirms our commitment to always providing the best value for our shareholders. This stems from our recognition as a closed joint stock company that the sustainability of good corporate governance practices has become an ethical and economic imperative in the modern world of business development.

We also are looking to achieve the desired objectives to improve existing practices and procedures in addition to implement developed governance framework for Kuwait Pillars and its affiliates so we can take a prestigious position in our business areas and thus achieve the vision of our shareholders.

Finally, we would like to take this opportunity to thank all the authorities and regulators that have contributed to better support the principles and practices of corporate governance and their implementation in State of Kuwait.

The Board of Directors of Kuwait Pillars confirms that the company's internal control systems are continuously verified and efficient and that they are comprehensive, monitored and reviewed in a timely manner, within the framework of an organizational structure characterized by transparency and clarity and the limits of responsibility and accountability are monitored. The implementation of approved policies and procedures is monitored through the work the internal audit Dep. that reviews internal controls, duties and responsibilities in addition to the correct use of the powers granted with an emphasis on risk-based audit.

Audit Committee's annual report on internal audit procedures for accounts and other records and internal control systems

We have reviewed the internal auditors' reports for the year ending in 2019, which included auditing procedures, checking accounts and internal control systems for Kuwait Pillars for Financial Investment (KSCC) during the year ending December 31, 2019, under which they covered the examination and audit procedures as follows:

1. Corporate Governance (Board of Directors - Board Committees).
2. Asset Management (Local and Regional Investment - International Investment - Development and Private Equity - Anti Money Laundering).
3. Information Technology Department - Anti Money Laundering.
4. Human Resources and Administration - Anti Money Laundering.
5. Finance and Accounts - Anti Money Laundering.
6. Compliance - Anti Money Laundering.
7. Risk Management.

We have reviewed the reports of the Internal Audit Department on the examination and audit procedures to ensure that Kuwait Pillars complies with the regulatory requirements issued by the Capital Markets Authority and general guidelines issued by Central Bank of Kuwait regarding internal audit and internal control systems.

We would like to refer to our role as members of the audit committee and members of the board of directors, which includes designing, implementing and maintaining audit procedures and internal control systems. Taking into consideration the proportionality of the cost of the elements of these systems with the benefits expected from their application. And that the aim of this clarification is to provide appropriate and reasonable assurances of the adequacy of audit procedures, followed systems, risk management procedures, and compliance procedures to protect the assets and assets of the company that may result from irresponsible actions or uses, that risks are monitored and evaluated and that operations are carried out in accordance with approved and followed procedures of powers and authorizations. And it is recorded correctly.

In our opinion - taking into account - the nature and size of operations during the year ending on December 31, 2019, the accounting records, other records, audit procedures, internal control systems, the level of performance of risk tendency and the supervisory compliance procedures that we have reviewed, reviewed and examined, as well as measures to combat money laundering and terrorist financing, have been completed. Establishing and maintaining them in accordance with the requirements of the Capital Markets Authority regarding audit procedures, internal control systems, risk management, regulatory compliance procedures, in addition to the governance system, which are properly recorded and implemented.
